Captain John Smith in his account of New England in , in a passing reference to Cape Cod, says it is a headland of high hills of sand overgrown with shrubbie pines, hurts and such trash, but an excellent harbor for all weathers. This cape is made by the maine sea on one side and a great bay on the other, in the form of a sickle.

THESE essays - thumbnail sketches of Cape Cod - should not be taken as a serious attempt to describe the Cape or to delineate its people. They merely express a perennial enthusiasm for this summer holiday land, to-day the playground of thousands of Americans, three hundred years ago the first "land of the free and home of the brave."
