For someone serious about drawing comics, this is a worthwhile addition for your bookshelf. But don't start here. I'd personally start with Christopher Hart's How to Draw Comic Book Heroes and Villains, which covers the same ground as this book while including most of the omissions I mentioned above. In this course you will learn how to draw dynamic comic book superheroes step by step. You will work along with me as we break down all the major components that comprise the superhero comic characters that we know and love.
